

East and Asia Pacific Regional People's
Health Assembly

**THE STRUGGLE FOR HEALTH: POLITICAL
ECONOMY OF 21ST CENTURY
COLONIALISM**

Sunday 12th -15th October 2025

Come and develop understanding of the
crises we are in and to organise for a
better world with other health activists

Prior to the assembly, we will have an
International People's Health University
course for young health activists on:

**THE POLITICAL ECONOMY OF
