

Understanding the Environmental Dimensions of AMR: South Centre Civil Society workshop, March 2023

The South Centre organized a [workshop](#) on understanding the environmental dimensions on AMR following UNEP's global spotlight on AMR, where wide ranging discussions took place on environmental AMR determinants, impact and connections. The presentations and recordings can be accessed [here](#). PHM's AMR representative Nafis Faizi (Email: nafisfaiziphm@gmail.com) spoke on the panel on Finding Co-Benefits in Tackling AMR: Health Systems. The recordings of day 2 can be accessed [here](#).
